**A GREENER WAY TO GIVE!** A less frequently discussed benefit of electronic giving is its positive impact on the environment. An enormous amount of resources are consumed in production, processing, transportation and disposal of paper checks. That's why paying bills electronically always ranks high on any list of actions one can take for the environment. As you consider the payment method you use to make your regular offering, we hope that you will think about the unique connection between financial stewardship and environmental stewardship. Please contact Shelly in the church office for more details or visit our website at [www.salemchurch.com](http://www.salemchurch.com).

**IT'S TIME FOR APPLE PIE-IN-A-JAR ORDERS!**

Payment may be attached or you may pay when you pick-up. (Make checks payable to Salem UMC.) Orders need to be picked up Sunday, October 2 through Friday, October 14.
