November 2018

For children and youth K-12

On Tuesday, November 6 several families came to the Youth Night event to make the Family Thankful project. It was great to see so many of you there!! I hope you get those vases filled with all the many ways you find to be thankful this month. And remember, look for the bright side when you are tempted to complain. The next Youth Night will be on Tuesday, December 4 from 5:30-7:00 pm. Our theme for the month will be **Christmas**. Please RSVP by 11/27.

**One Starry Night:** Is an exciting bible-times Christmas event being brought to the community by the joint efforts of Salem, Covenant, and Community UMCs. This free family event will take place on Friday, December 7 from 6-9pm at Covenant UMC. We are gathering volunteers and supplies now, and we could use your help! We need donations of your time, supplies, and talents to make this event a success. We would love to see this event become a yearly tradition. There is a SignUp Genius created for you to donate or volunteer, or please come talk to me. Families should have gotten an email with that link.

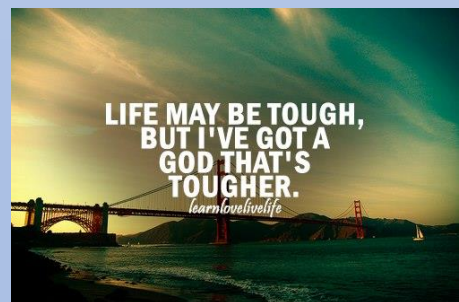

If you did not, please let me know and I will get it to you.

Preparations are in progress to get Salem Youth and families signed up to ring bells for the Salvation Army this holiday season. The Salvation Army uses the finds raised during the bell ringing campaign to keep "Doing the Most Good" for Fond du Lac County. More info will follow soon.

We are looking for youth to take part in One Starry Night. There are several opportunities available. There are chances to play Bethlehem Villagers, talking with families as they move from station to station. We also need station leaders to guide families in the activities as they visit. This would be a great opportunity for Communion youth to get in their service hours. We are hoping for a large turnout for this event, so the more hands on deck to help, the better. Please use the SignUp Genius at the following web address:
