Welcome to Easter Morning

*Easter Call to Worship

Leader: Stop! did you hear it: the stone roll, the grave clothes being folded, the body rise, it was like a whispered alleluia in the stillness of the dawn.

People: But it was real!

Leader: Did you hear it: the angels muffled laughter as the women reached the tomb, the dawn break over the garden revealing footprints in the dew, the mountains bow in slow grandeur just out the corner of your eye, it was like something shifting at the edge of your sight.

People: But it was real!

Prayer of Dedication

Leader: We are an Easter people! We believe that faith can move mountains, and that caterpillars can be transformed into butterflies.

People: We trust that with your grace, even the smallest act of generosity can have significance well beyond all expectations. With that faith, we give – freely and joyfully. Amen
